

IPS INNOVATE

CELEBRATING INNOVATION

A MONTH OF THINKING, INQUIRING, COLLABORATING & REFLECTING

DUDOK WALK

Group 5 students learned about the Dutch architect Dudok and his influence on the buildings in the Hilversum area.

CARING

Group 6 students organised a bake sale and raised over €200 for the victims of the earthquake in Turkey and Syria.

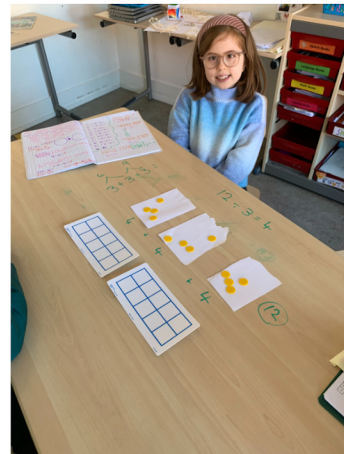

HEXAGONAL THINKING ROUTINE

Learning new vocabulary, making connections and explaining how the terms are connected.

THIS IS HOW WE LEARN!

Group 5 students have been practising different ways of working out mathematical equations, using materials, imaging and number properties.

COLLABORATIVE ARTISTIC PROCESS

Group 5 students brainstormed storyboard ideas and chose a setting, characters and plot. Then they crafted a scene which they used for their stop motion film.

PROCESS OVER PRODUCT

Experimenting with line, texture, colour, layers, form, and composition.

Group 6's collaborative artwork depicting the layers of the earth.

WHAT IS YOUR ROLE AT IPS?

Student Support Teacher

WHERE CAN YOU MOSTLY BE FOUND?

In group 7P/V... up in the tower...
on the playground! ;)

HOW DID YOU COME TO BE IN YOUR CURRENT ROLE?

I was asked if I would be interested in individually supporting children with a learning difficulty.

WHAT IS SOMETHING YOU CAN DO FOR HOURS WITHOUT STOPPING?

Share my positivity and laughter.
Actively enjoy the beautiful nature and waterfront which I am surrounded by.
Absorb "vitamin sea" to recharge my batteries.

I AM THE GO-TO PERSON WHEN SOMEONE NEEDS...

I'm always happy to help or at least try -
just come and find me.

WHAT DOES INNOVATION IN EDUCATION MEAN TO YOU?

New challenges - New goals - Never stop
exploring - Take action

SPECIALIST SPOTLIGHT: NATASCHA SEHN

WHAT DO YOU ENJOY MOST ABOUT YOUR JOB?

The children and people around me. That I have the chance to experience different things, observe so many colleagues and see so many individual ways of learning which take place at our school. That each and every day is different but always inspiring.

FAVOURITE QUOTE?

FAVOURITE MOVIE?

One of my favourite films is:
