- **Tuesday 7 February** - school photos for new students & those who were absent for the October shoot
- **Wednesday 15 February** - PSG Teacher Appreciation luncheon

Whole School Information

School photographer

On Tuesday 7 February, the school photographer will return to take photos of all the students who were absent for the October photoshoot, or those who had not yet joined the school! You will receive an email reminder from your child's class teacher next week, too.

Rembrandt parking

You are kindly reminded not to use the Artsenij medical surgery car park across from the Rembrandt location as the doctors who work there have no space to park. Please use the parking provided on the street and walk to school, or use the Kiss & Ride to drop off.

PSG

PSG advertising support

If you are a local business, looking for support and reach, then the PSG committee can help you. We are happy to assist you with the following on our social media community board:

- 1 advertisement per month
- Provide 2 sentences about your business
- Provide 1 web and 1 social media link
- Be clear what you are offering the students and parents in our school

For more information, please email the PSG Committee at psg@ipshilversum.nl.

PSG meeting

The PSG Committee would like to invite you all to our next meeting on Wednesday 1 February at Mout in Hilversum from 09:15-10.30 to discuss all the fun and exciting events we have planned for the rest of the school year, and how you can get involved to make them a success. If you're unable to attend the meeting and would like to be involved, please email the PSG Committee at psg@ipshilversum.nl. The first coffee/tea is on us!

Teacher Appreciation Day

Teacher Appreciation Day is fast approaching on Wednesday 15 February. If you would like to help contribute to the food we provide that day for the staff luncheon, please email the PSG Committee at psg@ipshilversum.nl.

COVID-19 UPDATE

The Netherlands has reverted to **phase 1 dark green**. This means that we continue with basic measures with regard to hygiene and health, and continue to ensure good ventilation.
