REMINDER: School photographer

On Tuesday 7 February, the school photographer will return to take photos of all the students who were absent for the October photoshoot, or those who had not yet joined the school!

International Mother Language Day

We will celebrate International Mother Language Day on Tuesday 21 February. This year's theme worldwide is: **Multilingual education – a necessity to transform education in a multilingual world**. We would love our families to share and celebrate their mother tongues on this special day. If you would like to join us, please complete the short questionnaire by clicking [here](#). From the International Mother Language Day team: *Jolanda, Leonie, Lourdes, Melissa, Morven & Vanessa*.

Mondrian

Using the cycle lane

If you or your children cycle to Mondrian, please take care to only use the cycle lane and not the pavement. Our office has received phone calls from our neighbours situated on Jan van der Heijdenstraat that several of our families are using the pavement instead of the cycle lane.
