What's going on behind the scenes at IPS

Throughout the year our teachers participate in a number of school-related tasks which serve to enhance and enrich our students' experience at IPS. Each task group is connected to one of the strands on our strategic plan. As a quick mid-year check-in, each task group put together a set of slides to share with their colleagues so we could all appreciate what others have achieved and continue to work towards. Take a peek at these slides for a behind the scenes look at IPS:
