Whole School Information

Staggering start/end times

Thank you for your patience as we figure out the timings for the three locations. Many years ago, a friendly liaison began with the many primary schools around Frans Hals and Rembrandt. In order to honour our agreement of old, it is necessary to liaise with all these schools to ensure that we all stagger our start and finish times with them, so that the roads do not become more congested. The School Council will also be discussing this at their next meeting along with the protocols we need to follow to make any changes.

Family celebrations survey

Building on last year's enthusiasm for learning about and acknowledging the diversity of holidays celebrated by the IPS school community, we have a new survey for the new school year. Click [here](#) for the link for the family celebrations survey 2022-2023 to share with us the holidays that are significant to your family. The more responses we get, the better! The survey closes on Monday 19 September at 10pm.

Mondrian

Any budding gardeners?

At Mondrian we have a beautiful garden area located in the small playground area. We would like to set up a Gardening Club for students. However, before we can offer this, we could really use some help to weed and remove stuff from the flower beds in the garden. If you have some time and would like to help, then please let us know. We were planning to work on this on: Wednesday 28 September & Wednesday 5 October from 13:30-15:30. Any time and support you can offer will be helpful. Please email [Michelle Lewis](#) or [Nicolette van der Watt](#) if you have any questions and are willing to help.

Parent Support Group (PSG)

Halloween

The PSG Committee will meet next week to plan this event. If you would like to be involved, then we want to hear from you! We welcome you to attend our meeting at Rembrandt on Monday 19 September at 9am. If you're unable to attend the meeting and would like to be involved, please email us: psg@ipshilversum.nl. We greatly appreciate your time and support!

Language classes

2022-2023 language classes are starting for IPS students after school hours. If your child is interested in having some fun learning a new language, then please click [here](#) to see the classes being offered for Dutch, German and French.

Final call for pizza orders

For all those interested in ordering pizza for their child, please remember to complete the order form and make the payment before the end of Friday 16 September. The pizza team kindly reminds parents that they will not be sending any further reminders!
