- **Monday 6 June** ~ Pentecost Holiday (*national holiday*)

Whole School Information

Staff appreciation luncheon - thank you!

The food that was so kindly homemade and delivered to the school today for the staff luncheon was beyond belief! It was bountiful and so tasty that no-one could stop eating. All the teachers and staff would like to extend an enormous THANK YOU to all the IPS parents for their kindness and generosity. We all felt very (full and) appreciated!

Parent Day picnic

As a school, we want to celebrate all our unique parents on Wednesday 1 June. We invite you to join your child(ren) at school for a picnic from 12:30 for our first ever Parent Day. If you have more than one child over different locations, please choose which location you would like to picnic at. You will have the opportunity to pick your other child(ren) up at 12:25 to take them to your chosen location. Please bring a picnic blanket to sit on and a picnic to enjoy together as a family. If you are unable to join, your child will be able to enjoy a picnic with others. We just need you to pack a special lunch for them on this day to enjoy with their teacher. The picnic is scheduled to finish at 13:00. You will be responsible for your child from then on, and the class teacher will make sure the children who attend after-school care get there. Any child whose parents are unable to attend, and normally leave school independently, will be able to leave at 12:45 as normal.

★ Please email your class teacher or send in a family photo before 31 May!

STIP Academy

Free lecture - The Child's Brain

During this free one-hour lecture offered by STIP Academy, neuropsychologist Marald Mens takes the listener on a journey through the child's brain. Have you ever wondered... What goes on in a child's head, at home or in the classroom? How is it possible that a child is really not stupid, but still forgets simple things? Are we at the mercy of the whims of the child's brain or do we really have an influence on it? The answer is simple: Of course we as parents have influence! But how do you do that if your child seems more interested in their phone or friends than in your words?

This lecture may be interesting for parents whose child sometimes has difficulty:

- Carrying out tasks independently at home
- Packing their own school bag
- Dealing with loss

You will leave the lecture with practical tips to apply directly at home.

When: Wednesday 8 June @ 19:30 - 21:00

Walk-in with coffee and tea from 19.15

Participation is free

Where: Lorentz School, Lorentzweg 135, 1223 HN Hilversum
