Rosie Colman

Farewell and thanks to Rosie Colman

It is with enormous gratitude but a very heavy heart that we bid farewell to Rosie Colman this year. Rosie has been instrumental in setting the tone and pace of the Parent Support Group over the entire time her children have been at Rembrandtlaan. Our parents have benefited greatly from Rosie's effusive energy, inclusive enthusiasm and enviable organisational skills. Her outstanding knowledge, skills and know-how for fundraising has meant that our school, and ultimately your children, have enjoyed immeasurable benefits from PSG-raised funds.

Rosie has also served as a School Council member for a number of years and her astute observations from having her finger on the pulse of the school community have always been succinctly and passionately shared: Rosie strove for equity and inclusion for the whole community. Rosie's daughter will be in Group 8 next year, and so we hope to see Rosie around school; however, she will be sorely missed on both the School Council and PSG. Thank you, Rosie, from everyone at IPS Hilversum. You're a hard act to follow!

Wishing all our families a safe and happy holiday!
Farewell and good luck to all our families who are moving on
this summer to new countries and new schools!
