WHAT IS YOUR ROLE AT IPS?

Concierge

WHERE CAN YOU MOSTLY BE FOUND?

In and around the Mondrian location

HOW DID YOU COME TO BE IN YOUR CURRENT ROLE?

In the past I was concierge at different schools. I liked having this job besides being a musician. When I saw the vacancy on the STIP site I was enthusiastic about the international nature of the job, because I feel like a global citizen.

WHAT IS SOMETHING YOU CAN DO FOR HOURS WITHOUT STOPPING?

Music is my biggest hobby! Listening to music, being a musician and being a drum teacher. I've been playing the drums for 52 years now and I still practise because I love playing. I started making money with it at the age of 14. 😊

I AM THE GO-TO PERSON WHEN SOMEONE NEEDS...

anything actually, but the main things are: maintenance, security, prevention, and social talk 😊

WHAT DO YOU ENJOY MOST ABOUT YOUR JOB?

The diverse tasks I have and the social interaction with the children.
