Moving towards becoming a Totally Inclusive School, our DEIB mission is now finalised: At IPS Hilversum, we are dedicated to embracing and celebrating the rich diversity within our community. We value individuals from all backgrounds, including those related to race, socioeconomic status, ethnicity, gender identity, religion, disabilities (both visible and invisible), neurodiversity, age, family status, and sexual orientation. Our aim is to establish a safe and inclusive environment where every person's unique identity is valued, nurtured, safeguarded, and respected. We foster a sense of belonging and inspire our students to become compassionate global citizens who actively contribute to a more equitable world. At IPS Hilversum, we are committed to this ongoing journey of exploring our identities, experiencing a true sense of belonging, and inspiring a better, more inclusive future.
