Whole School Information

First coffee morning

It was wonderful to see so many parents at the coffee morning today at Rembrandt. If you were unable to join today, we hope to see you next time (6 October) at Mondrian. You can also see the dates on the Google calendar on our school website.

Head lice check

Next week head lice checks will be carried out by a team of dedicated parent volunteers at both locations. (This is also a Dutch school requirement!)

- Mondrian: Wednesday 20 September
- Rembrandt: Friday 22 September

Please ensure your child's hair is clean, and for long hair it is easier if it is worn loose or tied up in a ponytail.

Parent workshop

Join us on 29 September in the gym at Rembrandt at 09:00. The focus of this year's first workshop will be on inquiry learning and finding out more about the different elements of an IB education. This flyer is also on our website!

Traffic lessons

Thanks to our Host Country Language team, next week all students in Groups 3-8 will be having traffic lessons taught by [ANWB Streetwise](#). ANWB Streetwise is a practical, educational and challenging traffic program for all primary school students in the Netherlands. Professional instructors will provide customised traffic training with specially developed teaching materials, such as an electric car, zebra crossings, traffic lights, and, of course, a bicycle!

Kiss and Ride

Please review the traffic safety section (from page 34) in the School Guide that you were given, or access it [here](#) on our website to ensure you are getting the most out of our Kiss & Ride service available for our families at Rembrandt.
