Whole School Information

Student-led conferences (SLC)

In last week's newsletter, an outline was shared about the SLC day on Wednesday 27 March.

- **What can you expect at the SLC?** Please click [here](#) for an infographic that outlines the main ideas.
- **Conference times?** Please click [here](#) to indicate a morning or afternoon preference for your child's conference. We will do our best to accommodate all parent requests. However, we will apply a first come, first served protocol if necessary, so please accept our apologies in advance if you do not get the time of day that you request. **This form will only be available until Tuesday; please complete it today!**
- **What is good to remember?** There is no "regular" school on this day, but your child must come to school with you for this conference.

Parent workshop

Next week our whole school will focus on Multilingual Week. **Thank you to the 32 parents** who responded to the earlier call to read a story to students in their home language next week!

As the week draws to a close, we would like to invite parents to join us at **09:00 on Friday 16 February in the MPR at Mondrian** to find out more about why multilingualism is so important for our students and their families.

PTA

Our new PTA is on its way!

The PTA would like to share the three main goals that were discussed at the meeting last night and again this morning.

PTA goals

1. Organising fun events for children and families to enjoy
2. Building a community through these events, by attending, participating, planning or organising
3. Fundraising from these fun events, predominantly for our children at the school, and giving to others in the community

If you would like to be involved in any way, but were unable to attend one of the meetings this week, please drop a line to the new PTA email address, and you can expect to receive an invitation to the PTA launch on Thursday 29 February.
