Student-led Conferences (SLCs)

Thank you for participating in your child's student-led conference yesterday. It was lovely to observe students leading the way and guiding their families through the learning process in their classrooms and throughout the school. Our thanks and appreciation go to staff and students who put in a lot of thought, time and preparation for this day to be a success.

Avondvierdaagse

This fun Dutch tradition is for children in Groups 3 - 8. On four consecutive evenings, children walk 5km with their parents and classmates. This year, IPS Hilversum is joining the walk in Loosdrecht from 18:00 - 20:00 from Monday 27 - Thursday 30 May. The starting point is IKC Wereldwijs School, Loosdrecht.

Please note that all children from Groups 3 to 8 will bring home a registration form for this exciting event on Tuesday 2 April.
