Whole School Information

PYP Exhibition

Group 8 will host their PYP Exhibition on Thursday 18 April. The Exhibition is a culmination and celebration of the students' learning journey through their primary years, which involves the students creating and developing their own inquiries. Feel free to drop by and find out more.

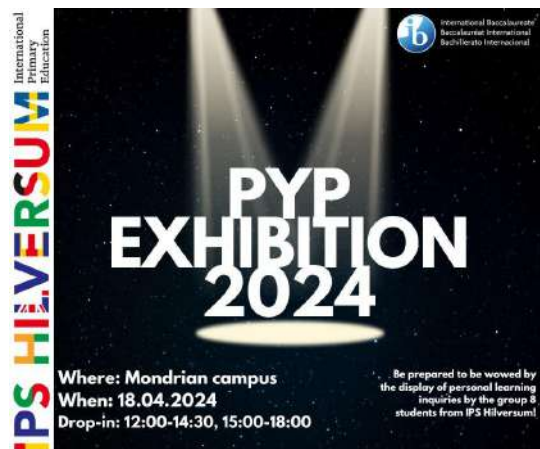

Tommy Tomato

On Wednesday, you received an email on Toddle: *Learning about vegetables & free tryout lunch* sent from the Tommy Tomato school food service. **Your child has the opportunity to participate in a free lunch if you sign up via the link provided in the email.**

Sign your child up for the free tryout lunch at [Rembrandt](#) on Monday 13 May, and at [Mondrian](#) on Tuesday 14 May.

After the tryout lunch, if your child liked the meal, you can register them for Tommy Tomato's vegetable lunch once a week for a six-week trial period. This costs €3.25 per lunch at Rembrandt and €3.75 at Mondrian. **Too expensive?** Indicate this when registering and Tommy Tomato sponsors will help pay. This is done on a trust basis; you are not required to submit any evidence.

School calendar 2024-2025

Before the December break, the mandated school holidays for North Holland were shared (parent newsletter #14). The complete school calendar for 2024-2025 is available on our school website.

Celebrations

Koningsdag (King's Day)

Next week our Host Country Language (HCL) teachers will be teaching students about the celebrations around Koningsdag. Our own King's Day activities will take place on Friday. Both campuses will host festivities with the invaluable help of our Group 7 students.

The national date for King's Day is 27 April, when the country will turn orange for a day. There will be many celebrations with street markets, festivities and other traditions.

To get into the spirit of this Dutch tradition, it would be great to see students wear something red, white and blue, orange, or a combination of these colours, on Friday 19 April. For sure it will contribute to the King's Day feeling!

Follow this link: [Daba Die Daba Daa](#) for your (Rembrandt) children to practise the song and dance at home.
