

Easy Guide

Kiss & Ride 08:40-08:55

at Rembrandt, provided by the parents,

The **Kiss & Ride zone** is a short parking area, at the side of the school (on Vermeerlaan). In this area, parents (drivers) are allowed to drop-off children, however **No Parking** rules apply:

1. You may only drive up from the correct side of the road
2. Stop time necessary to drop off the children safely
3. Driver must remain in the car (vehicle must not be left unattended)

The role of the **Kiss & Ride volunteer parents** is very important. By having these parents in place, we will have:

- A better and safer traffic environment around the school
- Improvement of driver behaviour in the vicinity of the school (re: awareness and consideration of others etc.)
- Improvement of the road environment such as avoiding vehicle/pedestrian/cyclist conflicts, traffic flow etc.

What you need TO DO on the Kiss & Ride duty:

1. Please be on time to start at **08:40** and stay until **08:55**.
2. Take two **Victor Safe** dummies outside (these are kept in the cupboard at the emergency entrance of the side of the school building). Put one **Victor Safe** at the corner/curve of the road (pedestrian/biker entrance) at the Kiss & Ride Zone and the other at the main entrance for the pedestrians/bikers in front of the main school entrance.
3. Two hi-vis safety jackets are attached to Victor Safe, please wear them for your safety.
4. Make sure that cars stop at the designated Kiss and Ride zone (2m from the corner).
5. Ensure children get out of the car on the footpath side.
6. Double parking is **not** permitted.
7. U-turns are **not** permitted.
8. Turning in home-owners' driveways is **not** permitted.
9. **Remind** drivers to observe the traffic around the car carefully e.g. cyclists, crossing pedestrians etc. before driving away.
10. Please ask the child to go to the main gate, yellow jacket person, ready to enter the school.
