Whole School Information

Parent Pop-in starting this week

Looking forward to welcoming parents back into school across the campuses starting on Wednesday 2 and Friday 4 October. For more information please see the Toddle message from Cat and Claire.

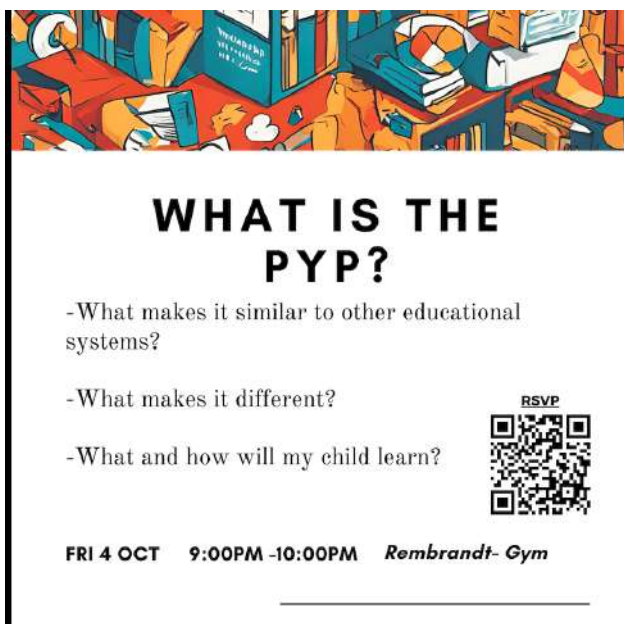

Parent workshop ~ What is the PYP?

Have you ever wondered **what** and **how** your child is learning in school?

Join us for the first

workshop of the school year! This session will focus on helping you better understand how your children learn and grow through the Primary Years Programme (PYP) framework.

This is a wonderful opportunity to get a closer look at how our teaching approach supports your child's development, both academically and personally. We encourage all parents to attend and look forward to seeing you there! Please [RSVP](#)!

Keeping in contact

When contacting the class teacher about appointments, absences and tardiness, please cc the office at the campus your child is attending:
