We will be hosting the second of the Think Tank series on 4 February from 9 till 10 in the morning.

The focus will be on the school website and we will be looking specifically at the content, layout and UI features. We will be brainstorming ways to support exposure and highlighting the key features and USPs of our school to families expressing interest in our school in both a local and a global context.

Please RSVP via the form below and add your thoughts, even if you are not planning to join the Think Tank.

Your voice and opinions really matter, so please take a bit of time to complete it. Link to form [here](#).

IPS Team Volleyball Tournament

On Tuesday 14 January, several teachers from IPS participated in the STIP Volleyball Tournament. A total of 16 teams competed in the event. For some of our teachers, this was a particularly special experience as they had never played volleyball before. However, with great enthusiasm, we headed into our first match.

Unfortunately, we lost the first game 11-40. The second match showed some improvement, but we still came up short with a score of 16-35. Despite giving it our all, we also lost the final match. As a result, the IPS team was awarded a very special prize: the Encouragement Award!

Looking ahead to next year, we are planning to train beforehand to sharpen our skills. If there is a parent out there who would like to coach this enthusiastic team, we would love to hear from you!
