Exciting new equipment at IPS Mondrian

The Student Council has arranged fantastic new equipment for the small playground! One of the highlights is an XXXL chessboard—big enough for kids to walk on while they play. We're also introducing a fun new game called Kerby. Never played before? Just give it a try—you'll love it! And guess what? We now have a table for table tennis! While there were no bats

A huge thank you to the PTA and the school for providing these awesome additions for the students of IPS Mondrian!

Introducing the new PTA treasurer

Hi Parents,

My name is Marcel Laun and I am happy to be the new PTA Treasurer.

I am originally from Germany but had the incredible opportunity to work in Australia and Sweden before moving to the Netherlands in 2022.

Both of my kids are also attending the IPS – and they love it!

With a background in Finance I can hopefully add some value to the team.

Marcel
