Whole School Information

Dear all,

Welcome to the new school year at IPS Hilversum!

A very special welcome to all our new families – we are delighted to have you join our school community.

It was wonderful to see so many of our students and parents back on Wednesday. The first days are always a time of adjustment, but I believe most of our students are heading into the weekend with a positive feeling.

The presence of the barista on Wednesday and Friday was also a nice reminder that school is not only about the children – it is also about parents connecting with each other. We are proud of the strong and caring community we have, and we look forward to seeing this grow even further this year.

A big thank you goes to our whole team, who worked hard to make sure the school was ready to welcome everyone on Wednesday. They are excited to start a new year full of learning, discovery, and growth together with the children.

Through this newsletter we will continue to keep you updated on what is happening at school. And when we come across interesting activities or events outside school, we will share them with you in the Community Corner.

And, don't forget to follow us on Instagram! It's also a nice way for family members abroad to see what is happening at school.

We wish you all a great start to the school year!

Juliska Blom

Principal IPS Hilversum

Baby News

During the holidays we received some delightful news; the arrival of Gabriel's daughter and Morven's son.

Gabriel welcomed his daughter on 24th July at 16:44. She weighed 3.37 kgs and her name is Mara Figueroa van den Noort.

Morven welcomed her son Brodie Spronk on 25th July. He was a little earlier than his due date and ended up being born by emergency caesarean section. He weighed 6lbs 15 1/2 oz (3 kg 160g).

School Invoice

Invoices will be sent home on Thursday September 4th, you will find these in your child's school bag.

Paternity cover for Gabriel

Jane Boogard has joined our team at IPS to cover Gabriel's paternity leave. She will be giving the students lessons in Musical Theatre which she has a wide experience in herself having performed in shows in London West End theatres. Her lessons will start next week.

Gym Lessons

This year at IPS we are working with BINK to give our students further opportunities in sport. We have 3 trained sport coaches who will be giving lessons to the students from group 2-8. The students will have these sessions twice a week in the gym with their class teacher and sport coach working together. They will introduce themselves in the next Newsletter.
