Parent Survey November 2025

We are taking a fresh look at how we present our school to families, and we would greatly appreciate your input.

We have prepared a short survey to help us better understand what parents value most when choosing a school and which types of information and communication are most helpful during that process. Your feedback will guide our future marketing and help us ensure that our communication is clear, supportive, and truly aligned with what families are looking for. The survey is completely anonymous and should take no more than five minutes to complete. Thank you for taking the time to share your thoughts—we genuinely appreciate your support.

Kijkavond

In our Sinterklaas newsletter, we outlined this favourite Dutch tradition that will take place at school on **Thursday 4 December**.

- The school will reopen between **16:00-17:00**.

- Both locations will be ready for students to bring their families to look around and see their classrooms decorated and lit up for Sint.. The classrooms from group 5-8 are set up to display the *surprises* students make for their friends.
- Hot chocolate and speculaas cookies will be served, courtesy of the PSG!

GGD School Team

The GGD Youth Health Care service supports children, teenagers and their parents with healthy development. All children receive preventive health check-ups at school around the ages of five and ten/eleven to monitor their growth and development.

More info about the content of the check-ups can be found on their website:

<https://www.ggdgv.nl/>

Outside of these check-ups, the GGD is available throughout the year for questions and advice about all aspects of child development in general, which can be asked through walk-in hours, email, telephone consultation or chat. The school has its own GGD team, consisting of a health promoter, a youth doctor, a youth nurse and an assistant, and a contact card is attached. Click [here](#) for GGD team information.

Chess Tournament for Group 6, 7, 8

During the afternoon on Wednesday 19 November, five chess teams took part in the Hilversum school chess competition. We had teams that just missed out on the prizes, but they played very well. Thank you to the parents who supported and accompanied the teams.

Date Diamonds

Hello, I am Amina, and I am pleased to offer a new homemade sweet tailored as a healthy, no-added-sugar alternative for the community.

These cookies gained positive attention at the Summer Fair last June and were recently recognized when I won a prize in a bakery contest organized by the Hilversum Bibliotheek.

Our sweet treat features a soft, naturally sweet dates filling, made entirely without any added sugar. This makes them an excellent, wholesome choice:

- For Children: Ideal as a snack for lunchboxes or after school.
- For Adults: A perfect accompaniment for tea or coffee . For more information here are the links for Instagram and whatsapp
