- PYPX~Monday 13th-Wednesday 16th April
- Kings Day~Thursday 16th April

Whole School Information

Eco Friendly Birthday treat

We're happy to share that this treat follows our eco-friendly birthday policy!

- ✓ Individual treats
- ✓ Food only
- ✓ No plastic packaging

Have you created a great eco-friendly birthday treat? We'd love to share your idea to inspire other families!

Student-led conferences

This is a gentle reminder that student-led conferences will take place on Wednesday 18 March. Please note that there will be no regular classes on this day. Students, accompanied by their parent(s)/guardian(s), are expected to attend only for their allocated one-hour time slot.. The schedules will be shared next week. We look forward to these meaningful conversations between students, parents, and teachers.

Eco School-We need your support!

As part of our journey to becoming an Eco-School, our students are eager to spend more time outdoors—getting their hands dirty, learning how food is grown, and caring for the environment through gardening.

To support this, we're kindly asking families to donate any spare gardening items you may have at home, such as:

Soil or compost

Plants or seedlings (no matter how big or small)

Seeds

Gardening tools

Materials for building insect hotels: bamboo sticks, logs, branches, small bricks, hay, straw, terracotta pots, twigs, smallstones.

Every contribution, big or small, will help our students learn valuable life skills and make our school garden a thriving, green space for everyone.

Please bring your donations by the group 8 entrance. There will be separate boxes for seeds, plants, tools and building materials.

The soil can be placed near this.

Thank you so much for supporting our young gardeners and our sustainability goals!

Should you have any questions about this, please contact Diana Bogdan at

dbogdan@ipshilversum.nl

Holi

Wednesday brought a vibrant burst of joy to our campus as we celebrated Holi, the festival of colors. It was a day defined by student leadership and a deep sense of community spirit.

Throughout the day, students took the lead in our school assemblies to share the significance of this cultural celebration. A special thank you goes to our Group 5 students, who collaborated with Miss Melanie to host two insightful assemblies. They did a fantastic job explaining the traditions, stories, and fun facts behind the festivities to their peers.

The highlight for many was the end-of-day celebration, which transformed our school into a joyful "rainbow of colors." Our playgrounds are still sporting a multi-colored glow—a beautiful reminder of the fun and unity we shared. We were also proud to see our school's community spirit and dedication to cultural diversity recognized in the local newspaper. It is wonderful to see our inclusive values celebrated both inside and outside our school walls.

Happy Holi to all our families!
