AGENDA ITEMS	NOTES	ACTION/PERSON RESPONSIBLE
Announcements	Students' numbers: 291 1 Feb 2026: 293? The EY group is growing very rapidly at the moment. We are working on a plan, in consultation with the Stip board, to find a workable solution.	Numbers are slightly better than anticipated, but probably still short of the target of 300. EY numbers are rising.
Formation 26-27	A large group 8 cohort left last academic year (60) and only 20 new EY students have arrived.	
Kiss & Ride	Is this really still necessary?	Kiss & ride will cease from 6/12 as parking permit scheme has dramatically reduced traffic congestion.
Eco-schools	A core group (mostly students, but supported by teachers/concierge/other staff — sometimes parents or community members) is formed. This team will steer the whole Eco-Schools process within the school. How about asking parents to join?	School would like parents to be involved in this and will seek interested parties.

	Proposal from the work group: Introduce Plastic Free School Snack and Lunch to staff starting in January 2026 Birthday Celebrating - not allowed to bring in any snacks or food - classes to celebrate in a different way by having a class game on their birthday at the end of the day? Some schools have a choice board of small but fun things (do a just dance, shout something in the playground)	Choice board proposed for what the birthday child can do to celebrate their special day. Birthday crown to wear for the day. Bring back birthday postcard to be signed by staff / and or stickers added.
Next meeting subjects	- To start at 6pm instead of 5.30 on Tues 13th January 2026. -
