Whole School Information

Sports Day and Fundraiser

On Tuesday 15 September we will be having the whole school sports day at GAC sports field until 12:30pm.

We will be fundraising for planting 40 trees locally and 40 trees globally.

Our target is €400

Sponsor now to help us get to this goal!

If the weather is predicted to be too wet we will notify all parents by 5pm on Monday 14 September

Parent Workshop

Earlier this week we sent out an agenda for our parent workshops. Our first workshop is a dive into the IB. Please come along and find out more about how your child learns through Inquiry.

Inquiry Insights

Assembly about agreements

During assembly this week group 3-8 participated in discussing playground, class agreements. The pictures from all class agreements from Early Year to group-8 were shared and we noticed the same wording appeared.

- Safe
- Ready
- Respectful

The questions we asked about Whole School Agreements were:

What does it look like?
What does it feel like?
What does it sound like?

The students are now putting their ideas of what Whole school agreements are and along with the student council we will create the whole school agreements from our shared ideas.

Community News

A message from Fritjof Troll

On Sunday September 6th, I'm participating in the Amsterdam City Swim – a 2026 meter swim through the canals of Amsterdam. With this athletic challenge, I'm raising money for research into ALS, a life-changing disease that unfortunately affects people around me.

It feels valuable to be able to make a difference in this way and your support, through a donation (no matter the size), would be very welcome and truly makes a difference.

Family day out in Nature

On 13 September there is a family nature treasure trail.
