Whole School Information

Road Safety at Mondrian

Finnley from Group 8R was asked to submit homework for the children's municipal council. He is putting forward the request for better road safety at the Mondrian location. His request to the municipality is:

- Come and watch us on our way to and from school. See how fast the cars are driving.
- Could you provide a safe crossing point where cars drive slowly and drivers can see us clearly?

Wij willen veilig oversteken bij onze school

Locatie Mondrian - Minckelersstraat 36, Hilversum

Bij onze school zien wij geen zebrapad of veilige plek om halverwege te wachten

Wij moeten in één keer naar de overkant
Er is geen eilandje waar wij veilig kunnen wachten.

Wij willen dat auto's langzaam rijden
Bij de schoolpoort zien wij geen drempel die auto's afremt.

Kunnen bestuurders ons goed zien?
Auto's, bomen en palen kunnen het zicht blokkeren. Wij zijn kleiner dan volwassenen.

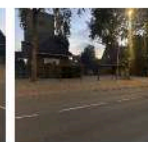

Er is ook een straat naast onze school
Wij moeten ook letten op auto's die de hoek om gaan of de straat uit rijden.

Schooltoegang en rijden

Geen zebrapad bij de toegang

Schoolterrein en trottoir

Overzicht schoolomgeving

Onze vraag aan de gemeente

Kom kijken als wij naar school gaan en weer naar huis gaan. Kijk hoe hard de auto's rijden. Wilt u zorgen voor een veilige oversteekplek, waar auto's langzaam rijden en bestuurders ons goed zien?

Dit overzicht gebruikt zes foto's. Hoe hard auto's rijden en hoe druk het bij school is, moet nog worden gemeten.

Netball club/clinics

Netball is coming to IPS Hilversum! 🏐

Legacy Netball Club NL ran introductory netball clinics for Groups 6, 7 and 8 during their PE lessons on Friday, 9 October.

The clinics introduced students to netball through fun activities focusing on passing, catching, movement, teamwork and some of the basic rules of the game.

Following the clinics, we sent information this week for groups 6, 7 & 8 to have the opportunity to sign up to join the Netball Legacy after-school club.

🎃 Halloween Dress-Up Day! 🧛‍♀️

Get ready for a little Halloween fun! On **Thursday 29th October**, we invite all students to come to school dressed up in their favourite costumes.

Whether you choose to be a witch, a vampire, a friendly ghost, or something wonderfully creative, we look forward to seeing everyone's spooky and imaginative outfits!

We can't wait to enjoy a fun-filled day together! 🕷️🦋

Inquiry Insights

Group 7's

On Thursday, our Group 7 classes jumped into their How We Express Ourselves unit with an exciting graffiti art workshop! Over the past week, students have been exploring urban art and discovering the different ways artists use public spaces to express their ideas and creativity.

The workshop gave students the opportunity to bring their own ideas to life, using the materials and guidance provided to create their own graffiti-inspired artwork. Despite the rain and wind, the students didn't let the weather dampen their enthusiasm! They found shelter beneath the building's eaves and got creative, putting their artistic ideas into action.
